

PARFAIT PRO IMAGE

My names is HATEGEKIMANA PARFAIT , I'm the founder and CEO Of PARFAIT PRO IMAGE.A technology based firm founded with the aim to reach our customers with a world class digital marketing solutions. We are iconic company offering a variety of services including: making websites ranging from personal portfolio websites, E-commerce websites and others. We are experienced in photography where we cover your wedding and other festivities by putting emphasis on making your memories unforgettable. We are morally guided by four values which are Time sharp-eyed,Quality services provider, Discipline and self motivation. BIENVENIDOS!!

I'm well trained in Web design field with an exciting working experience, where I bagged my certificates in different options of this field such as HTML,CSS, JAVASCRIPT and Responsive Design from online courses provided by University of Michigan school of information, ILLINOIS through COURSERA under CoOLLEN VAN LENT, PhD my Lecturer.
